

VOLTAGE VALET™
Currency Converter & Calculator

Large Easy Read 8-Digit Display
Solar Powered with Battery Backup
Model 2CC

How To Use The Currency Converter

NOTE: The exchange rate is the amount of foreign currency needed to buy one (1) U.S. dollar.

1. Turn on by pressing the ON/C button. A "0" will show in the display. **NOTE:** Do not cover the solar panel with your hand when holding the currency converter. Solar power will be used if the solar panel is exposed to an adequate indoor or outdoor light source. If adequate light is unavailable, the battery will supply power. This unit automatically shuts off when not used for 2 minutes.

2. **To set a foreign currency exchange rate:** Press the SET button and the current exchange rate will flash in the display (followed by "C1"). While the current rate is flashing enter a new rate (the amount of foreign currency needed to buy one (1) U.S. dollar) and press the SET button to store the new rate. Press the ON/C button to clear the display, then press the SET button to confirm the current rate. **NOTE:** The current rate will remain in memory until the rate is changed. Press the ON/C button to return to normal functions.
EXAMPLE: If the foreign currency exchange rate = 7.75, press the SET button and while the display flashes enter 7.75 and press SET again to set the rate.

7.75 C1

3. **To convert U.S. currency to foreign currency:** Once the exchange rate is set (Step 2 above), press the ON/C button to clear the display, enter a U.S. dollar amount and press the "C1" button. The display will show the foreign currency amount (followed by "C1"). **EXAMPLE:** If the U.S. currency amount = \$100.00, enter 100 and press the "C1" button. Using the foreign currency rate from the example above, the display will show the amount of foreign currency is 775.

775 C1

4. **To convert foreign currency to U.S. currency:** Once the exchange rate is set (Step 2 above), press the ON/C button to clear the display, enter a foreign currency amount and press the "C2" button. The display will show the U.S. dollar amount (followed by "C2"). **EXAMPLE:** If the foreign currency amount = 100, enter 100 and press the "C2" button. Using the foreign currency rate from the example above, the display will show the amount of U.S. currency is 12.9.

12.9 C2

How To Use As A Calculator

NOTE: When using as a calculator DO NOT use the SET, C1 or C2 buttons.

Power On/Clear Display: Press the ON/C button.

Calculator Functions: Use the numeric keypad and function buttons (+, -, x, ÷, =) to perform calculations.

Memory: Use the M+ button to add a value to the memory. Use the M- button to subtract a value from the memory. Use the MRC button to view the value in memory. Press the MRC button twice to clear the memory.

Percentage: To compute a percentage, enter a value followed by one of the functions you wish to perform (+, -, x, ÷, =) then enter a percentage value and press the % button. **EXAMPLE:** To find 25% of 200, enter 200 then press the x button, then enter 25 and press the % button. The display will show 50.

How to Shut Off: The unit will power off if not used for 2 minutes.

Solar Cell: The currency converter is powered by solar energy if exposed to an adequate light source (sunlight, incandescent and fluorescent lights, etc.). If light source is not adequate then the unit runs on battery power.

Battery: The battery is not replaceable.

One Year Warranty

We guarantee each new Currency Converter to be free from defects in material or workmanship and to perform under normal use and service. This guarantee shall run for a period of one year from the date of purchase, and obligations under this guarantee are limited to remedying any defect or replacing any defective part and shall be effective only if the defective unit is returned to us within 12 months after purchase. Damage due to abuse or misuse is not covered by this guarantee. We shall not be responsible for any other loss or damage that may arise through the use by a purchaser or others of this device, and the purchaser assumes such responsibility and will hold Hybrinetics, Inc. harmless in respect to all such loss or damage.

IMPORTANT: This is a factory direct warranty. Valid in the U.S. and North America only. Do not return defectives to your retailer. All defectives must be returned to the factory accompanied by a sales receipt with the original date of purchase. For more information please call our toll free number: (800) 247-6900.
