LUGGAGE STRAP

Adjustable with 3-Dial Combination Lock

One Year Warranty

We guarantee each new Luggage Strap to be free from defects in material or workmanship and to perform under normal use and service. This guarantee shall run for a period of one year from the date of purchase, and obligations under this guarantee are limited to remedying any defect or replacing any defective part and shall be effective only if the defective unit is returned to us within 12 months after purchase. Damage due to abuse, misuse, or overloading is not covered by this guarantee. We shall not be responsible for any other loss or damage that may arise through the use by a purchaser or others of this device, and the purchaser assumes such responsibility and will hold Hybrinetics, Inc. harmless in respect to all such loss or damage.

Important: This is a factory direct warranty. Do not return defectives to your retailer. All defectives must be returned to the factory accompanied by a sales receipt with the original date of purchase. For more information please call our toll free number: (800) 247-6900.

Instructions:

TO SET PERSONAL COMBINATION

The Voltage Valet Travel Sentry Certified Luggage Strap comes preset at the factory to unlock at 0-0-0. To set your own combination:

1. Center dials (D) at the 0-0-0 unlock position.
2. Slide gray lock release button (A) toward dials (D) and press in to open buckle.
3. Pull away buckle end (B)
4. With buckle open place a ball point pen or other pointed object on the end of the silver-colored combination setter pin (C)
5. Push in and hold combination setter pin (C) and move dials (A) to your desired combination.
6. Release combination setter pin (C) and your new combination is set. **IMPORTANT: Store your combination in a safe place.**
7. Close by reinserting buckle end (B) until it snaps in place.
8. Spin dials (D) to secure the lock.

TO USE THE LUGGAGE STRAP

1. Center the dials to the unlock position.
2. Slide gray lock release button toward dials and press in to release buckle end.
3. Place strap around suitcase and through handle, moving the slider (E) to adjust the length. **NOTE:** Passing the strap through suitcase handle will keep strap attached to suitcase if strap loosens during travel.
4. Reinsert buckle end until it snaps in place.
5. Spin dials to secure the lock.
