

TRAVEL
ALARM CLOCK

Quartz Clock in Protective Case

Instruction Book

Model 2TA

Instructions:

To activate clock: Slide the battery cover (1) in the direction shown by the arrow to insert or change AA battery (not included). Under normal conditions, the battery should last about a year; however, this depends on how extensively the alarm is used. If the clock runs slower, the battery is wearing out. For accurate time-keeping, replace the battery periodically.

To activate luminous dial: Hold dial near bright light for one minute.

To Set Time: Rotate dial (2) in the direction shown by the arrow to set the current time on the clock.

To Set Alarm: Rotate dial (3) in the direction shown by the arrow to set the time you wish the alarm to ring.

To Use Alarm: In the "ON" position (4), the alarm is set to ring. When the alarm rings, slide the switch to "OFF" position to stop alarm.

World Time Zones Map:

Numbers after a city indicate the difference of time in hours from the Greenwich Meridian.

For instance, if you are in London, England at 5p.m, the corresponding time in New York is noon because as shown on the table, the time in New York is five hours (-5) earlier than London (0).

If you are in San Francisco (-8 hours) expecting a call from Berlin, Germany (+1 hour), at ten a.m. in Berlin it will be one a.m. (-9 hours) in San Francisco.

Numbers indicate the difference of time in hours from the Greenwich Meridian.

Sydney, Australia	+10	London, England	0
Tokyo, Japan	+9	Rio de Janeiro, Brazil	-3
Hong Kong	+8	Buenos Aires, Argentina	-4
Bangkok, Thailand	+7	New York, USA	-5
Moscow, Russia	+3	Montreal, Canada	-5
Berlin, Germany	+1	Chicago, USA	-6
Rome, Italy	+1	Mexico City, Mexico	-6
Paris, France	+1	Los Angeles, USA	-8

One Year Warranty

We guarantee each new Travel Alarm Clock to be free from defects in material or workmanship and to perform under normal use and service. This guarantee shall run for a period of one year from the date of purchase, and obligations under this guarantee are limited to remedying any defect or replacing any defective part and shall be effective only if the defective unit is returned to us within 12 months after purchase. Damage due to abuse, misuse, or overloading is not covered by this guarantee. We shall not be responsible for any other loss or damage that may arise through the use by a purchaser or others of this device, and the purchaser assumes such responsibility and will

hold Hybrinetics, Inc. harmless in respect to all such loss or damage. **Important: This is a factory direct warranty. Do not return defectives to your retailer. All defectives must be returned to the factory accompanied by a sales receipt with the original date of purchase. For more information please call our toll free number: (800) 247-6900.**
