

ONE YEAR WARRANTY

We guarantee each new 50 Watt Reverse Voltage Converter to be free from defects in material or workmanship and to perform under normal use and service. This guarantee shall run for a period of one year from the date of purchase, and obligations under this guarantee are limited to remedying any defect or replacing any defective part and shall be effective only if the defective unit is returned to us within 12 months after purchase. Damage due to abuse or misuse is not covered by this guarantee. We shall not be responsible for any other loss or damage that may arise through the use by a purchaser or others of this device, and the purchaser assumes such responsibility and will hold Hybrinetics, Inc. harmless in respect to all such loss or damage.

Important: This is a factory direct warranty. Valid in the U.S. and Canada only. Do not return defectives to your retailer. All defectives must be returned to the factory accompanied by a sales receipt with the original date of purchase. For more information please call our toll free number: (800) 247-6900.

50 WATT REVERSE VOLTAGE CONVERTER

Use with 220/240 Volt Appliances

Model V5RB

50 WATT REVERSE VOLTAGE CONVERTER

MODEL V5RB

The Voltage Valet 50 Watt Reverse Voltage Converter is designed for use with the products indicated. It should never be used with analog clocks, television sets, high fidelity equipment, typewriters, or any permanently installed equipment. It will not work with direct current (DC) and is not designed for continuous use.

INSTRUCTIONS

Appliances built for use abroad are designed to operate on 220/240 volt electricity. Electrical sources in North America operate on 110/120 volts. To use 220/240 volt appliances in North America, the Voltage Valet Reverse Voltage Converter is necessary to step-up the voltage to 220/240 volts. It is for use with motorized, electronic and heating appliances rated up to a maximum of 50 watts including:

Battery Chargers	Digital Cameras
Camcorders	Electric Shavers
Cassette/CD Players	Oral Hygiene Devices
Curling Irons	Radios

NOTE: THIS CONVERTER IS NOT DESIGNED FOR CONTINUOUS USE. REMOVE FROM ELECTRICAL OUTLET WHEN NOT IN USE.
